MVRC Board Meeting

The photograph shows one of the last physical board meetings. The last board meeting, July 2, was done on zoom. There are actually some advantages to doing it that way. (Some disadvantages too.) There was no transportation necessary. Pictures could be easily displayed, but there were a few audio problems.

Still, lots of information was exchanged. Progress on a remote amateur station was made although there was quite a bit of difficulty with an electronic board for a remote antenna rotator.

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
